

FOCAL UNVEILS BATHYS MG GRAPHEN GREY A new finish for its excellent wireless headphones

The Graphen Grey finish of Focal's Bathys MG headphones draws its inspiration from refined mineral shades and the unique nature of raw materials. A balanced aesthetic that transcends trends with its understated, timeless tones. Focal, the leading French brand in high-end audio, is once again demonstrating its ability to combine design, innovation and high-fidelity sound with this new version of its excellent Bluetooth® hi-fi headphones.

UNDERSTATED, MINERAL LOOKS WHEREVER YOU GO

The Graphen Grey finish expresses a soft, balanced mineral refinement, characterised by a discreet elegance that blends in with all styles and all environments. The look makes Bathys MG portable headphones perfect for daily life on the go without looking at all showy. Whether travelling, working, concentrating or relaxing, the Bathys MG Graphen Grey offers incredible sound immersion, supported by ergonomic design, premium materials, clean lines, long-lasting comfort and elegant subtlety.

FOCAL SOUND EXCELLENCE

In addition to its aesthetic appeal, the Bathys MG is jam-packed with Focal's acoustic expertise. It incorporates exclusive magnesium loudspeakers, designed and manufactured in France, guaranteeing precise, dynamic hi-fi sound. Every detail has been created to offer listening quality and ease of use.

- High-performance active noise reduction, with several modes to suit different environments
- Bluetooth® multipoint for seamless connection between multiple devices
- Integrated USB-DAC for high-resolution wired listening
- Long battery life, designed for travel and long days on the go
- Intuitive controls and a dedicated app for a personalised experience

"With its Bathys MG, Focal pushes the boundaries of high-end wireless headphones." Frandroid

"The Bathys MG is currently the best sounding ultra high end ANC headphone" Headphones.com

TWO FINISHES, THE SAME HIGH STANDARD OF SOUND

With Graphen Grey, Focal has once again demonstrated its ability to try something new and enhance its product range. The Bathys MG comes in two strong and complementary finishes: Chestnut – warm, unusual and sophisticated and Graphen Grey – mineral, understated and timeless. Two personalities, the same high standard of sound from Focal.

ABOUT FOCAL

A global leader in audio, Focal is a French brand renowned for its acoustic excellence, founded in 1979 in Saint-Étienne. Recognised as a Living Heritage Company and a member of the Comité Colbert, its creations are designed and manufactured in its workshops, where craftsmanship, innovation and cutting-edge technology come together. Loudspeakers and speaker drivers lie at the heart of its expertise, which also extends to headphones, in-car systems, and studio monitors for audio professionals. United with Naim – a benchmark in British electronics – Focal offers an unrivalled sound experience, embodied in the global network of Focal powered by Naim stores.
